

PREPARE TO BE FLOORED.

Vintage Oak – Mountain View

Soft Grey hues over an aged mixture American Oaks.

A mixture of domestic red and white American Oaks has been live sawn and aged to provide an authentic reclaimed look and feel. A grey wash finish has been applied to the rustic planks to provide just the right amount of color to the oak planks. Our collection of aged oak is an alternate to our authentic reclaimed oak collections. The planks carry original saw marks from the milling process as well as nail holes used in the aging process.
