

PREPARE TO BE FLOORED.

Vintage Oak – Whispering Hills

Whispering Hills – Grey and Brown tones complement the American Oak.

A mixture of domestic red and white American Oaks has been live sawn and aged to provide an authentic reclaimed look and feel. The brown and grey undertones combine with the circle sawn texture and nail holes for a one-of-a-kind rustic plank. Our collection of aged oak is an alternate to our authentic reclaimed oak collections. These planks carry original saw marks from the milling process as well as nail holes used in the aging process.
